ORDINANCE NO. 2002- 15

County of Franklin, State of Indiana

*Cay H. N. Dwyer*  
Auditor, Franklin County

BE IT ORDAINED by the Board of County Commissioners for the County of Franklin, State of Indiana, pursuant to I.C. 36-7-3-12, that pursuant to the Petition to Vacate Portions of Public Ways filed with the Board of County Commissioners for the County of Franklin, State of Indiana, on the 20th day of November, 2002, on behalf of Jerome J. Ziegler and Karen Ziegler, husband and wife, the following described portion of a platted roadway is hereby vacated, subject to the reservation by the Board of County Commissioners of Franklin County, Indiana, of a utility easement for the location of utility lines, including electric, water, telephone and sewage, and other similar usages should the need for utility lines arise.

The portion of the platted roadway hereby vacated is more particularly described as follows:

That portion of what is commonly referred to as "Ziegler Road" located within the East half of the Southwest Quarter and the Southeast quarter of the Northwest Quarter of Section Thirty-five (35), in Township Eleven (11) North, Range Eleven (11) East, Ray Township, commencing at a point approximately 100 feet North of the current residence of Jerome J. Ziegler and Karen Ziegler and more particularly located on a 197 acre tract in the South half of Section 35; said vacation to encompass all the part of Ziegler Road extending northward past Salt Creek and terminating at the property currently owned by Hillenbrand Industries Inc. and Dakota Partnership, being approximately 3000 feet in length.

Those portions of the roadway described are hereby vacated, subject to the reservation of easements hereinabove recited for utility lines.

This Ordinance shall be in full force and effect from and after its passage by law.

Passed by the Board of Commissioners for the County of Franklin, State of Indiana, this 23<sup>rd</sup> day of December, 2002.

ORDINANCE NO. 2002- 16  
AN ORDINANCE REGULATING THE INSTALLATION OF PRIVATE  
SEWAGE DISPOSAL SYSTEMS IN FRANKLIN COUNTY, INDIANA

Be it ordained by the Board of County Commissioners of the County of Franklin, State of  
Indiana:

Whenever acreage is being subdivided into three (3) or more adjoining lots, each  
consisting of less than (2) acres, and each which will use individual on site sewage disposal  
systems, each lot shall have two (2) septic leech field sites available, one (1) for backup.

Additionally, all soil descriptions must be performed by ARCPACS Certified Soil  
Scientist.

Passes by the Board of County Commissioners of the County of Franklin, Indiana, this  
23<sup>rd</sup> day of December, 2002.

**ORDINANCE NO. 2002 - 09**  
**AN ORDINANCE REGULATING STOP SIGNS**

**AT LOW WATER CROSSINGS**

An Ordinance establishing that appropriate STOP, Regulatory and appropriate Warning traffic signs be installed to improve traffic safety and allow for the safer operation of vehicles across low water stream crossings in the various Townships in Franklin County, Indiana, and

WHEREAS, pursuant to the various statutes of the State of Indiana, including the enabling legislation which allows the promulgation of the Indiana Manual of Uniform Traffic Control Devices for Streets and Highways,

WHEREAS, it is determined that low water stream crossings are subject to flash flooding and are constructed to carry one-lane of traffic,

WHEREAS, it is determined that STOP signs, with Regulatory signs DO NOT CROSS WHEN WATER IS HIGH, shall be installed in accordance with the Indiana Manual on Uniform Traffic Control Devices for Streets and Highways, 1988 Section 2B-4,

WHEREAS, it is also determined that WATCH FOR HIGH WATER Warning Signs should be placed in advance of the STOP signs,

WHEREAS, it is also determined that STOP AHEAD W3-1a, LOW WATER CROSSING Warning Signs may be placed in advance of the STOP signs,

BE IT NOW ORDAINED by the Board of County Commissioners of Franklin County, Indiana:

1. That STOP signs (R1-1) shall be placed to stop traffic on the approaches to various low water crossings on county roads and Regulatory signs DO NOT CROSS WHEN WATER IS HIGH shall be placed under the STOP signs.
2. This Ordinance shall be effective upon passage.
3. A person who violates this Ordinance commits a Class C infraction.

BE IT NOW ORDAINED AND ADOPTED this 4th day of November, 2002.
